## Ray Series

Designed by HnasPanton

Ray is a collection of armchairs with sharp color and upholstered in leather and fabric with contemporary design and high quality materials. It is available in a wide range of different leather colors and in the same finish than furniture collections, allowing you to propose a versatile piece that adapts to any project.

Thanks to its design and variety of finishes is perfect for any project both office and contract that requires a touch of elegance and distinction in waiting areas, meeting rooms or even as a visitor chair in their modern or classic managerial offices.

无力反抗的极美迷惑  
Irresistable beautiful  
bewilderment

A highly customizable office chair, both in terms of finishings and adapting to individual seating needs. It is comfortable, aesthetically pleasing, and ergonomically designed for frequent use.

The Ray series is the versatile and comfortable solution for work environments, given its exceptional functional adaptability and its many choices of finishes.

Color options

**Leather 3A** soft cowhide leather with a very natural appearance. Available in 14 colors.

**NXPU** smooth cowhide faux leather with a flat grain, lightly pigmented and soft to the touch. Long lasting for more than 5 years. Available in 9 colors.

Color options

**Fabric 3S** mixture of cotton and polyamide. Available in 16 colors.
