The backrest and armrest is one-piece design, wrapping around the human body.

Whether sitting upright or leaning back, the armrest always supports the arms, allowing the user to get the best sitting experience.

Wensha chair can also be used for projects, there are the real pictures of our clients.

You can put it in your conference room or boss office.

The bright color of this chair can bring you a happy office atmosphere.

When you are seating on this chair, the comfortable seating feeling can give workers a pleasing experience.
