## Kai Series

Designed by HnasPanton

Clean crisp lines combined with high quality knowledge make it the perfect choice for conference, meeting, lounge, hotel and public space applications.

Molded polyurethane foam with a metal insert Backrest and armrests created as a one-piece Separate seat and back construction

Kai is the German abbreviation of Kraft & asthetik and the exact summary of design features for this chair series. It means the combination of strength and beauty. Structure is strength and detail is beauty, which interpretes lohas work held by FURICCO.

Ergonomics is perfectly shown through modern technology and ingenious and strong chair structure design.

Color options

**Leather 3A** soft cowhide leather with a very natural appearance. Available in 14 colors.

**NXPU** synthetic NDPU leather with a smooth, fine-pored surface, robust and easy to maintain. Available in 8 colors.
